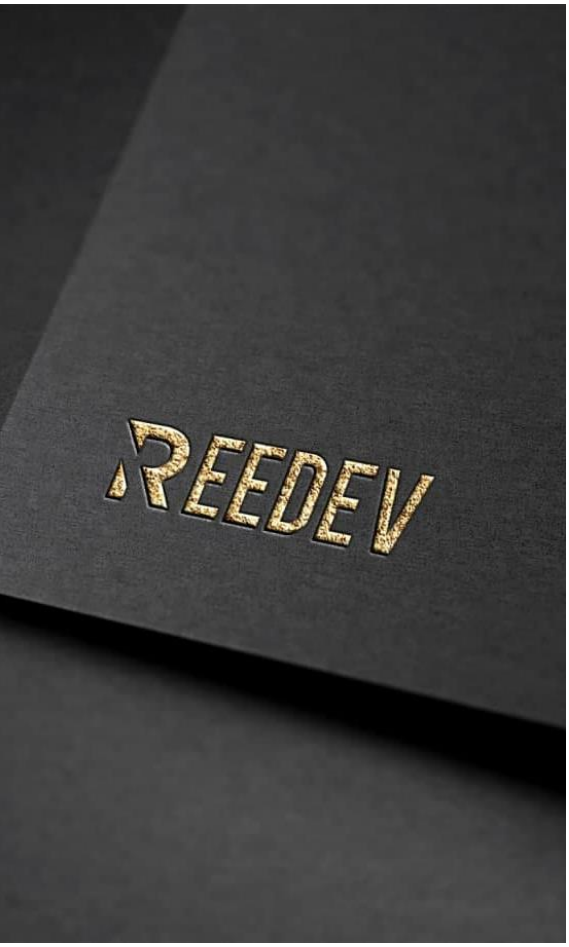
We are Reedev Indonesian Charcoal Briquettes Factory, Supplier and Exporter.



Reedev Charcoal is a factory that focuses on empowering the surrounding community, our factory located in Central Java Indonesia, where our main product is charcoal briquettes. We produce almost every type of charcoal briquette needed, such as for shisha/hookah and barbeque. With considerable experience, we believe through many trials, we can produce high quality products, with a capacity of 4 tons per day, we can produce according to your needs..

From there, he started to develop a business that previously only sold coconut shell charcoal and wood charcoal, to work together and empower local communities to create more valuable and quality products for export to the Asia, Middle East and Europe. Soon enough the business became legal under **CV. REEDEV JAYA ABADI**
